

## Chantelle Gawler

Having lived in Harold Hill for 13 years, I wanted to find a way to get involved and help in the local community. When my youngest daughter started in the Junior School in 2020, an opportunity came up to join the governors as a parent governor. It seemed a great way to be able to achieve that goal and use my professional experience to have a positive impact on the children. Becoming a parent governor is my first voluntary role and is one that I'm sure I'll enjoy. I am very passionate about effective teaching, child development, and making sure that the children above all have fun and enjoy being at school.
